# The Wright Word

Dear Friends,  
Yes, 2016 presented a number of trials for us all.

Hurricane Matthew interrupted all of our lives. As many trees as the storm ripped from the ground, there grew a stronger rootedness among our neighbors.

FaithWorks and its many partners throughout the community accomplished so much on behalf of our neighbors. We made a difference for those suffering through personal storms and life disruptions such as a family bread-winner's illness, unemployment, or death of a loved one.

You helped make this happen. Through you, God's mercies and blessings helped our ministries serve a record number of families and individuals in crisis.

This 2016 Annual Report celebrates you and the light you shine on our community, making this ministry possible. We are thankful to you for shining your light, putting your faith to work and showing how we can make a difference, together.

Blessings,  
Rev. Dr. Wright A. Culpepper  
Executive Director

In the same way, let your light so shine before others, that they may see your good deeds and glorify your Father in heaven.

*Matthew 5:16*

# What We Believe and Do

We begin with the fundamental belief that all are children of God. If children, then heirs of God and all that God has in store.

This basis guides our approach as to how we relate to our brothers and sisters. We seek to see one another as God sees.

We offer hospitality. We listen. We accept. We love. We act.

We are not as concerned about getting it right or doing it right, but that our thoughts, words and deeds are based on God's love for all and our love for God.

We make mistakes. We fall short. We examine and review in order to improve and to serve more effectively.

We extend the grace that has been extended to us.

## Our Ministries

FaithWorks serves the needs of more than 20,000 people annually in the Golden Isles through the volunteer and financial contributions of members of our community. These individuals, families, churches and businesses annually contribute an estimated 8,000 hours of service to those in need by providing shelter, clothes, food, and pastoral care.

The **Cancer Network Of Hope** provides support and encouragement for people who have cancer. FaithWorks can assist them with a utility bill, the cost of medicines, and transportation to doctor appointments and treatments. Cancer Network staff and volunteers visit patients, offer prayer shawls, Lydia totes and other helpful items to those who battle cancer.

**Open Doors** is a unique re-entry program designed to help people released from prison find work and become productive members of the community. We offer group mentoring, assistance with resume development and job searches, financial support, and transportation to job interviews. Open Doors works in cooperation and partnership with local agencies such as the Day Reporting Center of the Glynn County Drug Court.

The **Samaria Initiative** provides opportunities for neighbors from all walks within our community to come together to offer ministry to the elderly and others in need of assistance. Samaria Initiatives include outreach programs for neighborhoods along Wolfe Street and Norwich Street and the Second Saturday Sandwich ministry where a group of dedicated volunteers deliver food to elderly and disabled residents in some of Brunswick's poorest neighborhoods.

# Our Ministries

**Sparrow's Nest** provides food and financial assistance for people who are experiencing an emergency impacting their income or cash flow. Sparrow's Nest represents a collaborative of 30 local churches that provide assistance for families in need.

**The Well** is a hospitality and resource center for people who are homeless, providing resources such as a shower, a laundry room, phone, internet access, and an address for correspondence. FaithWorks assists guests with case management services, helping them access resources such as Gateway, Coastal Medical Access Program, Community Health Services, GA Department of Labor, Brunswick Housing and Veterans Administration.

**Pastoral Care:** FaithWorks has contracted with Southeast Georgia Health System since 1997 to provide pastoral care chaplaincy to the Brunswick Campus. Our chaplains visit patients and their families as well as work with staff, nurses, and physicians.

While we visit with anyone who requests a visit or who is referred to us, we focus primarily on those who are in crisis and/or who do not have a pastor of their own. We provide a chaplain on site for at least 40 hours per week and are on call 24/7 for emergency situations.

**Social and Case Management Services:** Many in our community suffer with chronic illness which can isolate them from others. Through its social services and case management work, FaithWorks reconnects people with essential public services, helping them to access health care safety net programs and secure themselves in life. For instance, when homeless male patients are discharged from Southeast Georgia Health System, they are often too ill to return to the street or to the Salvation Army shelter. FaithWorks provides these patients a home-like atmosphere where they can recuperate for a few more days.

**Volunteer Services:** FaithWorks serves the needs of more than 20,000 people annually in the Golden Isles through volunteer contributions from members of our community. We host more than 40 mission teams throughout the year to address many of the needs of our community.

FaithWorks encourages people to live out their faith. That might be as simple as taking a dinner to someone who lives across the street. It might be as complicated as developing a whole ministry around a particular need in our community.

We might be holding a hand while someone is dying, or praying before someone goes into surgery or listening to someone in crisis. We might be picking up a piece of litter, hammering a nail or painting a wall. We might be planting a seed, mentoring a child or driving someone to the doctor. FaithWorks can be different things to different people... an opportunity...an angel in time of need...a resource. We offer hope, encouragement, love and support to all of God's children.

## **FaithWorks helps homeless family find a home**

By DONNA STILLINGER  
The Brunswick News

A house in downtown Brunswick is undergoing a transformation and will soon help a homeless family have a place of its own.

About three years ago, the local non-denominational mission group FaithWorks was given a house on Reynolds Street by a generous donor. The gift had a condition -- to let the occupant stay in the home until her death.

"An older woman and her son lived in the home for almost 30 years," said the Rev. Wright Culpepper, executive director of FaithWorks. "Both recently passed away, leaving it in need of cleaning, painting and minor repair."

Culpepper said the organization really had no plans for the home until last week.

"I was over at College Place United Methodist Church and heard the

secretary there talking to a church member who had fallen on tough times," Culpepper said. "We hadn't planned on using the home for anything, yet ... it had just become empty on July 1, but this family needed a place to live and it just fell into place."

The father of the family fell off of a ladder while working and broke both feet. The medical bills and being out of work were a heavy burden for the family who found themselves homeless and living in a tent at the Jekyll Island campground.

"I told College Place that we had no clue what kind of condition the house was in," Culpepper said. "It was covered with 30 years of dust for sure, but with some cleaning and painting, it could be used to help this family."

Culpepper sent out an email to some of his team and to supporters of the ministry. Volunteers started

coming over to clean out the house. The family patriarch is a painter, and he has been coming to the house to share his expertise and to help as much as he can with two broken feet.

"The mother is working two jobs to keep this family afloat as much as possible," Culpepper said. "And the father is right there, helping as much as he can. It's really amazing how this all came about. He is an excellent painter and is a great resource for getting the home in order."

Culpepper said that a stream of people has been coming in and out of the house working over the last week but more volunteers are needed to complete the work and get the family moved in.

Several local churches have stepped in to help, including a youth group from First Baptist

## Comforting the Sick

- Visited more than 9,000 people in the hospital, providing pastoral care, prayer and comfort.
- Staff and volunteers provided transportation services to help patients get to medical and treatment appointments in Brunswick, Savannah and Jacksonville. More than 257 trips were logged last year. Of these, 143 trips were provided to cancer patients and members of their families.
- Helped 62 individuals get eye exams and prescription eyeglasses working with the Lions Club's charitable program and in partnership with American Vision.

# How You Can Get Involved.....

FaithWorks serves the needs of more than 20,000 people annually in the Golden Isles through volunteer contributions from members of our community.

FaithWorks encourages people to live out their faith. That might be as simple as taking a dinner to someone who lives across the street. It might be as complicated as developing a whole ministry around a particular need in our community.

In 2016, FaithWorks guided 192 active volunteers to live their faith by performing 7,753 hours in works of mercy through FaithWorks' ministries. These hourly contributions represented \$184,523 in wages that otherwise would have been paid to achieve a comparable level of support for our community programs.

## Three Stories

FaithWorks ministry is blessed with the presence of God's love through the lives of those we serve and those who serve. Each participant in our ministry shines their light on our community showing all how faith works.

To witness how this takes place, visit our Facebook page, FaithWorks Southeast Georgia. Hear how Mary Foote Davis makes a difference for guests of The Well. Hear the story of how the McCollum family and Kelly family blessed each others lives. Listen to Mark Surber tell his story of a changed life and how he shines a light for others who are homeless.

## **Mt. Horeb Society (Annual Gift of \$5,000 or more)**

"I have heard the cries of my people and I am sending you to say 'let my people go. so they might serve me.'" These words, recorded in Exodus, were spoken by God and heard by Moses on Mount Horeb. Individuals, churches, and groups who give \$5000 or more per year are considered as members of the Mount Horeb Society.

## **Nehemiah's Wall Society (Rebuilding Jerusalem) - Nehemiah 3**

For those who wish to make major financial gifts in building facilities that will provide shelter, housing, and services for those who have the ability to be restored to healthy life.

## **Saint James Society (A gift of service to another of God's children)**

For those who believe that various trials and tribulations are important to our spiritual growth and that faith without works is dead. Members of the St. James Society contribute acts of kindness and mercy through one or more of FaithWorks' ministries.

## **Stock Gifts, Bequests, Vehicle Donations**

You can make a tax-deductible contribution of stock, donate a vehicle or remember FaithWorks in your estate plan. Gifts of stock provide a double tax benefit: not only do you receive an income tax deduction for the property's full fair market value, but the stock's appreciation does not incur capital gains. We are happy to work with you, your attorney or stock broker to facilitate your charitable gift. For more information, please contact:

## Shining a light for all our neighbors to see

Each year, the first Thursday of September marks an important occasion in our community.

More than 600 civic leaders and community members gather to recognize the critical work carried out through FaithWorks and hear testimony demonstrating how to get involved in our community.

On September 8, 2016, our community came together to let their light so shine for our neighbors in need.

## Peace, Love and FaithWorks

The annual "Boz Bday Bash" is a week-long food drive hosted by Mary Bostock and Bubba Garcia's restaurant to benefit Faithworks.

The annual event takes place the first full week of August to honor the legacy of local legend, Robert Bostock and his giving spirit. The 'Boz' was known for his generosity and celebration of the local community he loved so much.

Each year for his birthday, locals gather at Bubba Garcia's and toast to "Peace, Love and FaithWorks."

## FaithWorks' Fresh - serving the health needs of our neighbors through locally-sourced fresh foods

In 2016, through the generosity of local farmers, farming hobbyists and aspiring entrepreneurs, FaithWorks launched its fresh food ministry providing locally-grown healthy options for families served by the Sparrow's Nest food pantry. Donations of refrigerators and other storage items allows FaithWorks to better serve the nutritional needs of our neighbors.
