Putting Our Faith To Work: A Vision for the Next 25 Years

By Rev. Wright A. Culpepper, Founder

As we look to the next 25 years, FaithWorks will continue to expand on our vision of serving those who feel trapped or forsaken.

We know they are not forsaken, for there is not one sparrow for which God does not care. We will put our faith to work proclaiming and living out the creative, redemptive, and sustaining power of God so that all may know that the Kingdom of God is present, here and now, with us.

That's where we will be in the next quarter century, ***putting our faith to work so all may know that faith works!***

Local students helped FaithWorks feed families by conducting food drives.
